SESSION OUTLINE

| 1 | INTRODUCTIONS | 2 minutes |

The facilitator will introduce the session explaining that it is the grand finale and will see if there are any questions from the previous session

| 2 | WARM UP | 5 minutes |

This activity is called "Desert Island". The facilitator will ask your young person to pretend they have been transported to a deserted island for a year. The facilitator will explain that in addition to essentials you can take one book, one film, and one luxury item. Your young person will be invited to talk about their chosen items and why they chose them.

| 4 | ACTION | 45 minutes |

There is no tuning in activity this week. Rather the action activity will take up most of the session with the group's movie finally being filmed. The group will have allocated jobs or roles and will be actively involved in the direction of the film.

| 5 | WRAPPING UP | 5 minutes |

This is a celebration! After the filming of the movie the group may have something to eat and drink. Your young person will be provided with a memento of their time in the program. The facilitator will organise how the group receives a copy of the movie. This could include an unlisted YouTube link, a USB, etc.

The Imagine Create Belong team would like to acknowledge and pay respect to the Traditional Custodians, the Wadawurrung people of the Kulin Nation, whose Country we live, work, and learn on and where the program was established. We would also like to acknowledge and pay respect to all First Nations peoples throughout Australia and note that sovereignty was never ceded. Education and the transmission of history and culture has a long and rich heritage on this continent, which we aim to honour. We are committed to applying the tradition of shared storytelling to the way we teach and learn. We extend this acknowledgement to all First Nations people globally.
